CHAIR COMMENTS

Chair Selinske thanked the board members for their support in electing him as Chair of the Foothill Workforce Development Board.

Chair Selinske opened the floor for member comments, encouraging board members to share updates from their sectors and discuss ways to improve collaboration and mutual support.

FWDB MEMBER COMMENTS

Chair Selinske introduced the agenda item and invited Keshia Darden share any updates in her field.

Keshia Darden – Keshia Darden emphasized her commitment to supporting youth,
particularly those interested in attending cosmetology school, but who face financial
challenges. She explained her partnership with Duarte Unified School District, which
covers Career and Technical Education (CTE) costs for some students. However, not all
schools have access to CTE funding, and she expressed a desire to find solutions for
students who lack financial support for their education.

Chair Selinske added that Pasadena Community College may offer dual enrollment opportunities, and there had been previous discussions about collaborating with local school districts to provide such classes in high schools. While Darden noted that dual enrollment is currently not available for the specific program, Chair Selinske encouraged approaching high schools to request these classes from community colleges, which have the funding for instructors. He suggested that this issue be prioritized by the Youth Committee for further exploration.

2. **Laurie Wheeler** – Laurie Wheeler announced a Job Fair in South Pasadena on September 25th, organized in collaboration with Foothill, with nine employers confirmed to participate.

Chair Selinske asked Vice Chair Wheeler about employment and business trends in her community. She shared that soft skills are a key focus, and the increasing minimum wage is challenging smaller businesses in the current economic climate.

3. **K-Rahn Vallatine** – K-Rahn Vallatine noted that while many individuals seek employment, they often struggle with fully embracing the responsibilities that come with being employed. He highlighted that mindset is a crucial factor in employee retention, including showing up consistently and maintaining professionalism.

Executive Director Dianne Russell-Carter added that this mindset issue extends beyond youth and affects individuals at all levels. She invited Alexis Carter to share her insights.

Alexis Carter shared that her department has many job openings and conducts numerous interviews, but candidates frequently inquire about telework availability. Despite offering a hybrid telework schedule, this option doesn't always attract candidates. She also mentioned that employers are struggling to hire and retain employees, with companies reporting difficulties to EDD.

Executive Director Dianne Russell-Carter suggested exploring incentives for employees to maintain attendance, which could potentially be incorporated into the youth program.

Chair Selinske opened the floor for any additional updates.

4. **Guest Diane Ling** – Diane Ling announced that the Department of Rehabilitation (DOR) California will be hosting a business summit on October 9th. The summit will focus on introducing small to medium-sized businesses to various programs available, ranging from youth to adult services.

VII. A. Election of FWDB Sub Committee Chairs

Chair Selinske introduced the election of subcommittee chairs, noting that in the previous meeting, the board voted to reduce the number of subcommittees. Per the by-laws, Chair Selinske has the authority to appoint subcommittee chairs.

- Youth Committee: Chair Selinske asked Keshia Darden if she would be willing to chair the Youth Committee, to which she accepted.
- **Business Services Committee:** Chair Selinske mentioned that John Frala will be appointed at the next FETC Policy Board meeting, and he intends to ask Frala to chair the Business Services Committee.

Chair Selinske also requested that Keshia Darden collaborate with staff to prioritize efforts for the Youth Committee.

VII. A. 3. Addition and Election of Two At-Large Executive-Committee Members

Chair Selinske introduced the agenda item and opened the floor for volunteers or nominations for two At-Large Executive Committee members.

Staff Member Raymond suggested sending an email to all board members to gauge interest in participating on the committees and to forward the responses to Chair Selinske.

Chair Selinske agreed with this approach and stated that he would share the compiled list with the board at the next meeting.

VII. A. 4. Program Audit of the City of Pasadena as Program Administrator of the Foothill Workforce Development Board

Chair Selinske introduced this action item, which involves approving the response to the audit findings, and requested Executive Director Dianne Russell-Carter to highlight key items from the audit.

Key Findings:

- **Finding 12:** The FWDB Executive Director should work with the Board to establish goals that set the proportion of residents from JPA communities to be served by FWDB.
 - Executive Director Dianne Russell-Carter explained that, legally, individuals cannot be denied services based on residency. Chair Selinske emphasized the importance of reaching the five communities represented by the board and suggested tracking community-specific information and key metrics. In response, a goal was added to ensure that 80% of new enrollments come from the JPA cities represented by the board.
- **Finding 15:** The FWDB Executive Director should establish performance measures that assess the effectiveness of the goals established in the 2021-2024 FWDB Local Plan.
 - Executive Director Dianne Russell-Carter noted that discussions would be held between the FWDB and FETC Policy Board regarding the Local Plan goals, which will help determine the effectiveness of the 2023 Biennial Work Plan. She mentioned that the current plan expires in two months and that staff is working on a new plan.
- **Finding 19:** The FWDB Board should choose and prioritize performance measures to improve upon.
 - Executive Director Dianne Russell-Carter indicated that the focus will include the second quarter employment rate, median earnings, and credential attainment.
 Chair Selinske requested an examination of key metrics that would be relevant for community prioritization.

Chair Selinske confirmed that the approval of these recommendations would result in them being forwarded to the City of Pasadena, to which Executive Director Dianne Russell-Carter agreed.

VIII. A. FWDB Local Area and Program Statistics

Chair Selinske introduced the agenda item and invited Staff Member Michael Trogan to present the statistics.

Michael provided an overview of the current program year, which commenced in July, indicating a goal of serving 469 individuals. He reported that, as of now, 212 individuals have already been served, attributing a significant portion of this number to carryover from the previous year.

The presentation included a review of several charts that illustrated these statistics.

During the presentation, Michael highlighted challenges associated with the JPL Grant, noting that many dislocated workers were - to utilize the available services. In response, Alexis Carter mentioned that the EDD has a program that allows them to identify individuals who have filed for unemployment. This program can be utilized to determine which individuals are nearing the end of their unemployment benefits.

IX. EXECUTIVE DIRECTOR ATTACHMENTS

Executive Director Dianne Russell-Carter informed the board about an attachment containing a report on the Local Plan by David Shinder, noting that he will no longer be working with the Board. She proposed the creation of an Ad Hoc Committee to assist with the new Local Plan, a suggestion that Chair Selinske supported. He invited board members to volunteer for the Ad Hoc Committee to collaborate with staff.

Executive Director Russell-Carter stated that the deadline for the new Local Plan is in March, although it may be extended pending the official directive. The Board agreed to maintain the March deadline and schedule meetings to begin in November/December. Board Member K-Rahn Vallatine expressed interest in joining the Ad Hoc Committee.

The Board set their next meeting for January 14th, 2025, at 9:00 A.M.

Vice Chair Selinske thanked everyone for their participation, and the meeting was adjourned at 10:25 A.M.

WORKFORCE DEVELOPMENT BOARD

The Workforce Partnership of Arcadia, Duarte, Pasadena, Sierra Madre and South Pasadena

AGENDA REPORT

TO: Foothill Workforce Development Board **DATE:** February 18, 2025

FROM: Tom Selinske, Chair of FWDB

SUBJECT: CONSIDERATION FOR APPROVAL BY RECOMMENDATION OF THE

FOOTHILL WORKFORCE DEVELOPMENT BOARD TO APPROVE NEW

FWDB MEMBERSHIP APPLICATIONS TO FILL VACANCIES

RECOMMENDATION:

This item is an update regarding the membership nomination process. Staff Analyst David Eder sent an email to Chair Selinske and Vice Chair Wheeler regarding the nomination of four new board members.

Both Chair Selinske and Vice Chair Wheeler reviewed and approved the recommendations. The recommended candidates to fill vacancies in the Business Category, Labor Category, and the Economic and Community Development Category are:

Business Category:

Vicki Brannock, Senior Director of Workforce Strategy and Innovation, BioCom California

Labor Category:

Zachary Solomon, Business Representative, IBEW

Economic and Community Development Category:

Herman Corteza, Corporate Director of Community Integration Services, Pacific Clinics

Amy Foell, Amy Foell Consulting, Workforce Development Consultant, San Gabriel Valley Economic Partnership

Upon the FWDB consideration of and approval of these nominees, the approval recommendation will be forwarded for consideration, approval and formal appointment by the Foothill Employment Training Consortium (FETC) Policy Board at its scheduled meeting on February 20, 2025.

Chair Selinske and Vice Chair Wheeler recommend this appointment be for a two-year period, effective upon the date of approval by the Policy Board.

NOTE: The applications are attached to this report.

BACKGROUND:

The Workforce Innovation and Opportunity Act (WIOA) Section 107 (b) contains the federal requirements for WDB membership. According to WIOA law, the WDB is required to have a private sector majority along with mandatory and general partners. As per the FWDB By-laws, the Board is

DISCUSSION REGARDING RECOMMENDED NEW FWDB MEMBERSHIP APPLICATION February 18, 2025
Page 2

required to have a minimum of nineteen members, of which, fifty-one percent must be from the business sector. Additionally, the State of California mandates that twenty percent of membership must come from labor unions and joint labor/management apprenticeship programs. The remaining members must be representatives from mandatory and general membership categories (i.e., educational institutions, government agencies, economic and community development agencies, and community-based organizations, etc.). The FWDB intended membership goal is twenty-one members, eleven of which must be representatives from the private sector.

The remaining members of the FWDB Ad Hoc Nominations Committee are Chair Selinske and Vice Chair Wheeler. As a result, an email requesting approval of the nominations was sent to Chair Selinske and Vice Chair Wheeler.

If the Board approves these applications, two vacancies in the Business Category will remain on the FWDB. Chair Selinske and Vice Chair Wheeler anticipate receiving qualified recommendations for these vacancies and upon receiving, they will meet to review and approve for recommendation of consideration by the FWDB.

On a bi-annual basis, the California Workforce Development Board (CWDB), through the California Employment Development Department, is required to re-certify Local Workforce Development Boards (i.e., Foothill WIB). The recertification for the Program Years 2025-2027 must be completed on April 7, 2025. This re-certification requires WDBs to comply with the WIOA membership requirements.

Respectfully submitted,
